

## **BIO – Jay Brister, General Fusion**

June 6, 2022

**Jay Brister is the Chief Business Development Officer at General Fusion, leading the company's global Business Development, Government Relations, and Communications team. His focus is fusion market development and engagement with the global energy industry.**

**Jay has more than 40 years of experience in the global energy industry and power markets. He is a leading expert in business and market development, along with project execution and corporate acquisitions.**

**He most recently led business development for AECOM's Power division out of London, U.K. Previously, he served as the CBDO for Babcock & Wilcox Company's mPower Small Modular Reactor venture and in leadership roles with the engineering company CH2M Hill (now Jacobs).**

**Throughout his career, he held various management roles with utilities in the United States and consulting roles in the U.K., Poland, U.A.E., Canada, Singapore and South Korea. He has successfully concluded \$25 billion (USD) in energy-focused transactions.**
