

5th CNS INTERNATIONAL CONFERENCE ON CANDU MAINTENANCE  
NOVEMBER 2000

TABLE OF CONTENTS

SESSION 1

Session 1A

Fuel Channel Inspection and Maintenance (1)

- SNN's Experience with the Baseline Inspection of Cernavoda Unit 1 Fuel Channels** .....*Paper not available*  
I. Bucur, *SNN*  
C. Talamazan, S. Azeez, H. Wong, B. Varandani, *AECL*
- The AECL Fuel Channel Inspection System (AFCIS)** .....1  
K. Chaplin, W. Mayo, J. Drossis, H. Licht, J. Schankula, D. Johnston, *AECL*

Session 1B

Improving Human Performance

- Towards Excellence in Human Performance** .....11  
P. Tremblay, *Ontario Power Generation, PNGS*
- Beyond Traditional Human Performance - "Heart at Work"** .....12  
V. Briant, *CultureWorks, Inc.*  
W. Pilkington, R. White, *New Brunswick Power*

Session 1C

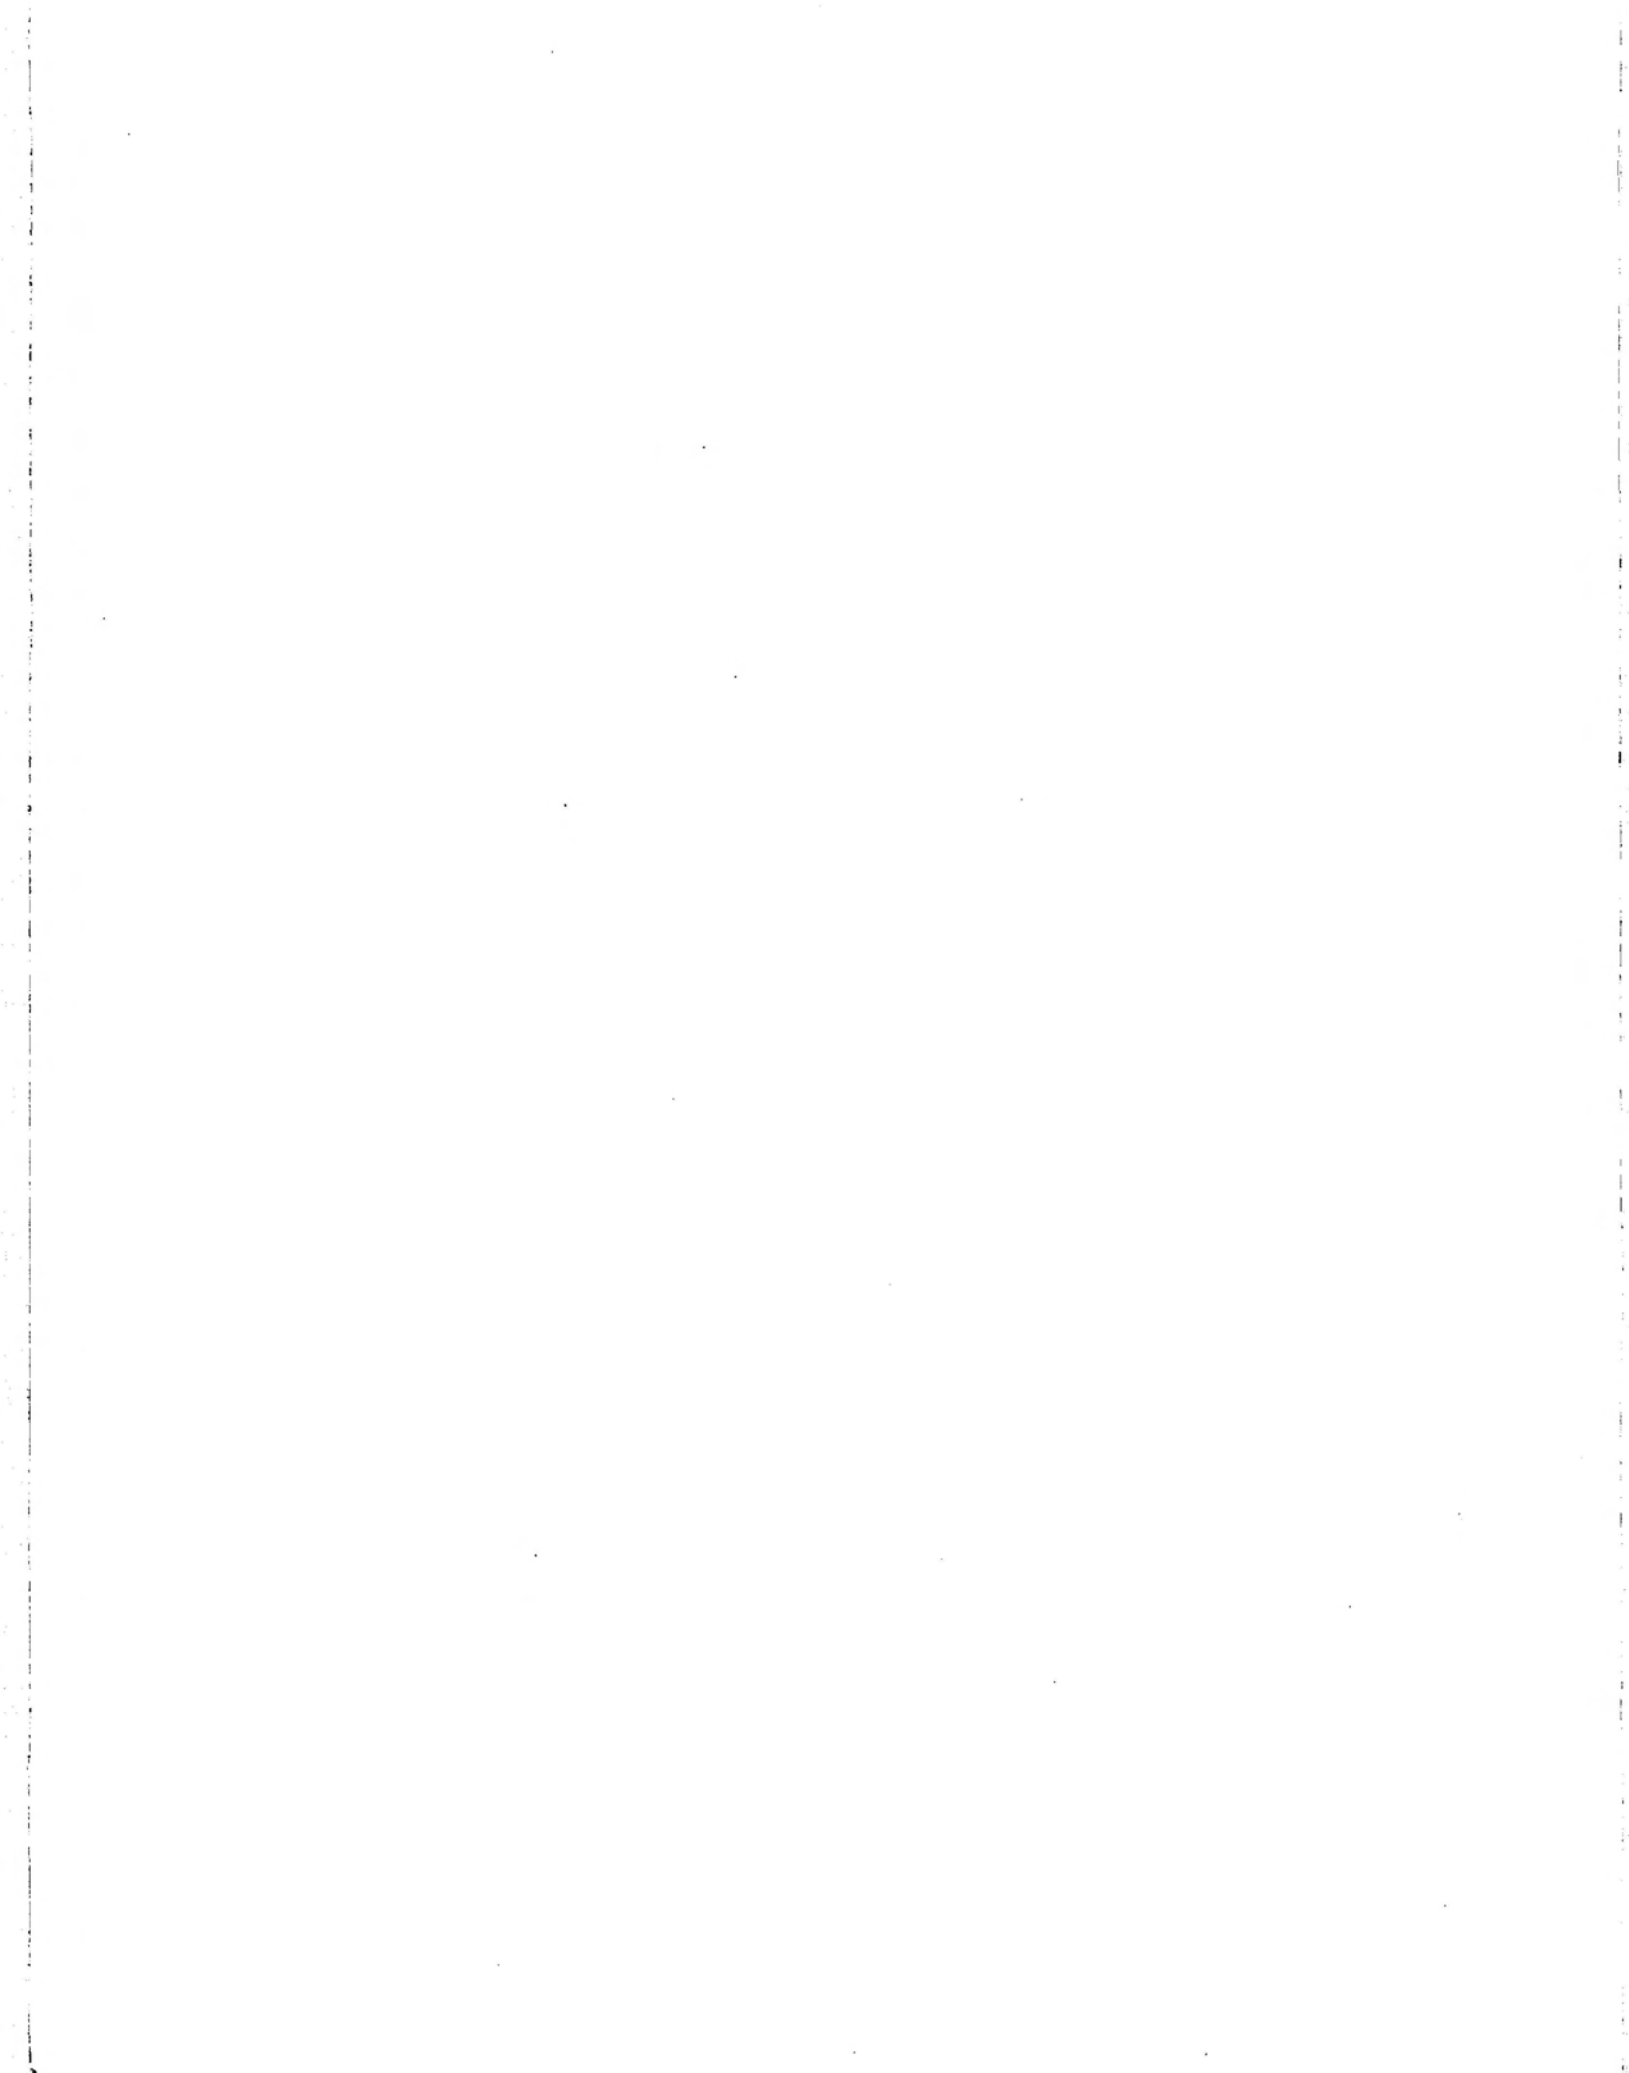

Preventative Maintenance Techniques

- Streamlined Reliability Centred Maintenance (RCM) - Application to CANDU 6 Stations** .....14  
R. Richard, J. Nickerson, M. Holmes, *AECL*  
L. DeLong, *New Brunswick Power*
- Darlington's Accelerated Approach on Equipment Strategies Development** .....*Paper not available*  
I. Khan, R. Lalonde, *Ontario Power Generation, DNGS*

Session 1D

Use of Analysis Techniques to Facilitate Maintenance

- Acoustic Fatigue of a Steam Dump Pipe System Excited by Valve Noise** .....22  
S. Michaud, H. Pastorel, *Hydro-Quebec*  
S. Ziada, *McMaster University*
- Competitive Outage Lengths When Servicing the Liquid Relief Valves  
of the Heat Transport System** .....23  
C. Lorencez, *Ontario Power Generation, PNGS*
- Reactor Building Integrity Test at Gentilly 2** .....33  
J. Routhier, *Hydro-Quebec*

## SESSION 2

### Session 2A Maintenance Programs

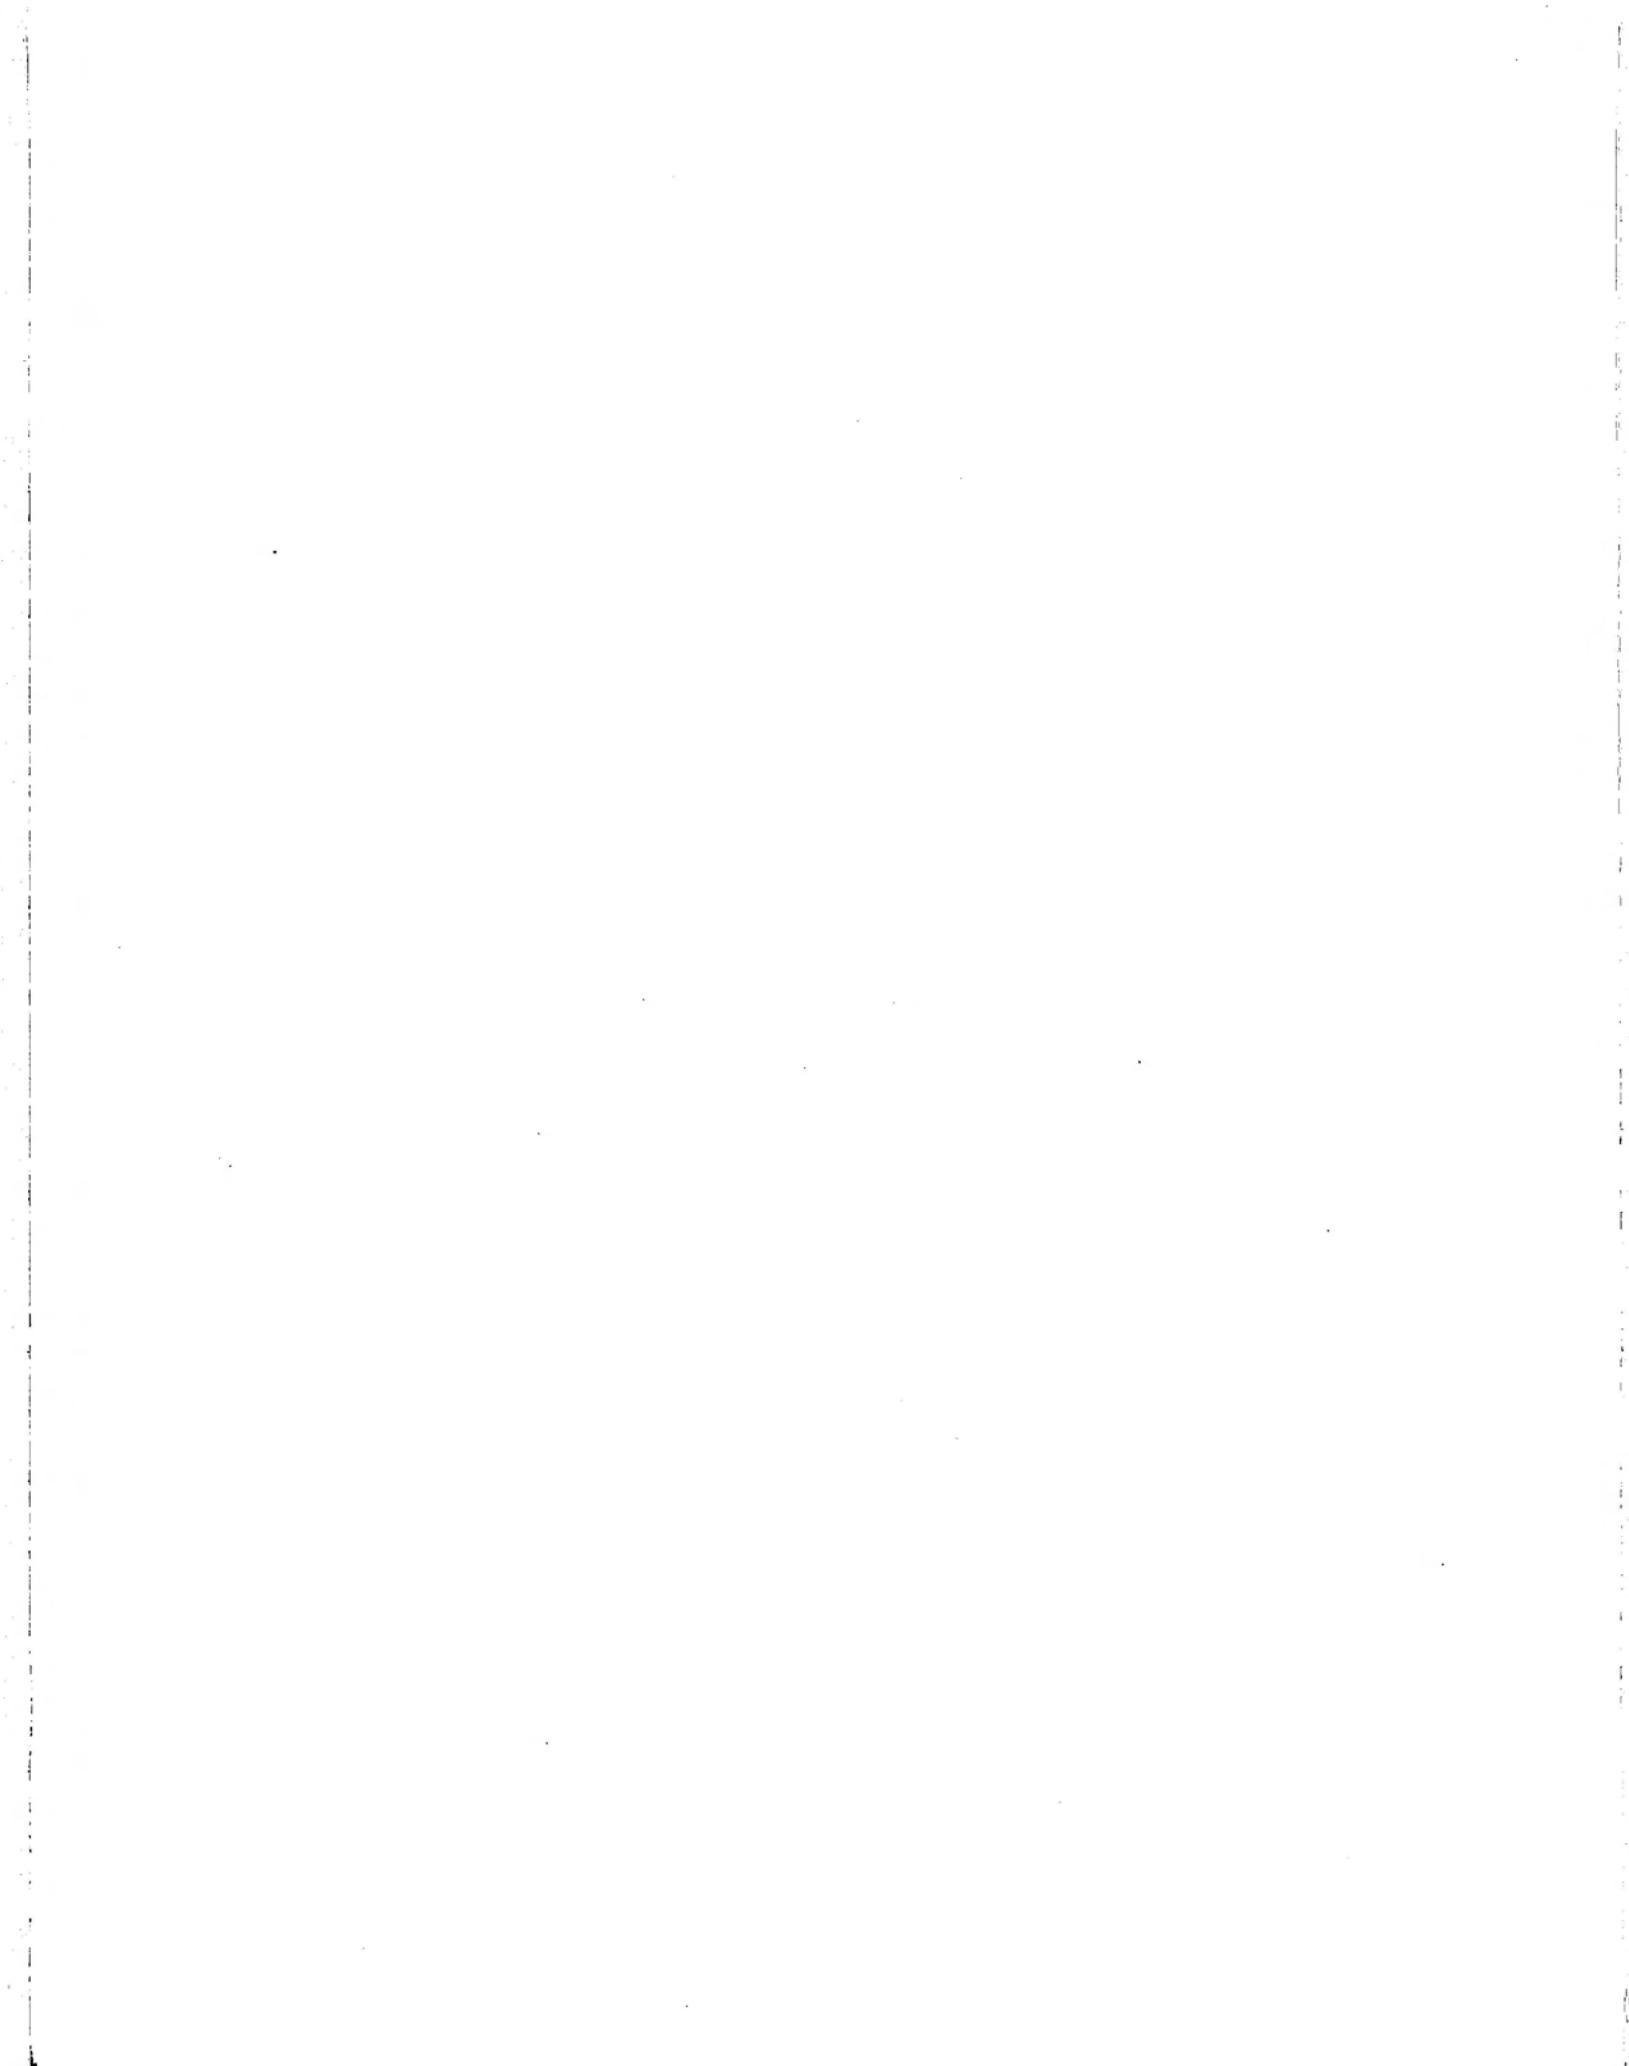

- Integrated Maintenance Program at Cernavoda NPP - Unit 1** .....51  
S. Marinescu, R. Urjan, *Cernavoda NPP*
- The Role of Performance Assessment Groups in Bringing the OPG Maintenance to the World Class Level** .....58  
K. Mika, *Ontario Power Generation, BNGS*
- Maintenance Program for Power Conversion Equipment at Bruce 5-8** ..... *Paper not available*  
J. Santos, K. Mika, *Ontario Power Generation, BNGS*

### Session 2B Plant Upgrades

- Review of Pickering 'A' As-Built Design Against Current Regulations and Standards** .....62  
H. Johal, E. Tin, *AECL*
- ECC Recovery Strainer Upgrade for the Pickering A Return to Service Project** ..... *Paper not available*  
K. Hau, T. Vu, *AECL*  
G. Sham, *Ontario Power Generation, PNGS*
- Retrofit of New ECI Strainers in Pickering B** ..... *Paper not available*  
D. Rhodes, *AECL*  
G. Makdessi, *Ontario Power Generation, PNGS*

### Session 2C Steam Generator Maintenance (1)

- Gentilly 2 SG Primary Side Cleaning by SIVABLAST** ..... *Paper not available*  
A. Wolski, *Siemens*  
N. Bains, *AECL*  
S. Plante, *Hydro-Quebec*
- Gentilly 2 Steam Generators Spring 2000 Outage: Tubesheet Waterlance Cleaning and Inspection; Upper Bundle Inspection** .....70  
J. Akeroyd, *Foster-Miller*  
S. Plante, *Hydro-Quebec*
- Bruce B Unit 6 Divider Plate Sealing Skin Installation** .....76  
L. Fortin, *Ontario Power Generation, BNGS*

## Session 2D

### Heat Transport System Maintenance

<b>Pressurizer Manway and Inspection Port Re-Engineering</b> .....	<b>.86</b>
D. Joudrey, J. Millman, <i>Babcock &amp; Wilcox</i> P. Ancker, <i>Ontario Power Generation, DNGS</i>	
<b>When to Replace a Reactor Coolant Pump Seal</b> .....	<b>.94</b>
R. Metcalfe, <i>AECL</i>	
<b>Reactor Coolant Pump Seal Response to Unvented Air</b> .....	<i>Paper not available</i>
R. Metcalfe, D. Rhodes, H. Gentili, <i>AECL</i>	

## SESSION 3

### Session 3A

#### Use of Robotics (1)

<b>Hydro-Quebec Inspection Robot for PHTS Feeder Pipes Supports</b> .....	<b>.104</b>
J. Lessard, E. Lavoie, A. April, S. Beauregard, J. Cote, A. Drolet, P. Gauthier, D. Lapierre, R. Houde, <i>Hydro-Quebec</i>	
<b>Robotic Inspection of the Dump Tank Leg - An Accessibility Challenge</b> .....	<i>Paper not available</i>
N. Bains, L. Eijssermans, <i>AECL</i> W. Bek, <i>Ontario Power Generation, PNGS</i>	

### Session 3B

#### Ageing Effects (1)

<b>Mitigation Strategies to Address Ageing in CANDU Heat Transport System Piping</b> .....	<i>Paper not available</i>
A. Usmani, V. Murphy, D. Padhi, <i>AECL</i> K. Verma, J. Slade, <i>New Brunswick Power</i>	
<b>Degradation of CANDU Fire Protection Systems: Past, Present and Future</b> .....	<b>.110</b>
P. Angell, <i>AECL</i>	
<b>Minimizing the Risk of Feeder Environmental Cracking</b> .....	<i>Paper not available</i>
M. Wright, T. Gendron, <i>AECL</i>	

### Session 3C

#### Steam Generator Maintenance (2)

<b>Electrosleeve Process for In-Situ Nuclear Steam Generator Repair</b> .....	<b>.117</b>
E. Renaud, <i>Babcock &amp; Wilcox</i> D. Stewart, <i>Framatome Technologies Inc.</i> F. Gonzalez, <i>Integran Technologies Inc.</i> A. Brennenstuhl, <i>Kinetrics</i>	

**Primary Divider Plate Replacement at Pickering NGS B** ..... Paper not available  
J. Cao, T. Griffith, G. Wangersky, *Babcock & Wilcox*  
D. Zerkee, *Ontario Power Generation, PNGS*

**Primary Separator Replacement for Bruce Unit 8 Steam Generators** .....127  
S. Roy, *Canatom NPM Inc.*  
C. Mewdell, *Ontario Power Generation*  
W. Schneider, *Babcock & Wilcox*

### Session 3D Monitoring and Surveillance Techniques

**ChemAND - A System Health Monitor for Plant Chemistry** .....136  
C. Turner, P. Balakrishnan, G. McKay, G. Mitchel, M. Thompson, G. Tosello, *AECL*  
M. Bergeron, Y. Dundar, R. Laporte, *Hydro-Quebec*

**Enhancing Fuel Handling System Surveillance Through Automated Log Monitoring** .....145  
W. Ernst, D. Cosh, *GE Canada*

**FLUS - Leak Detection on CANDU Secondary Side Piping:  
Experience at Pt. Lepreau and Gentilly 2** .....146  
W. Knobloch, P. Jax, *Siemens*  
G. MacDonald, K. Verma, *New Brunswick Power*  
S. Plante, P. Theoret, *Hydro-Quebec*

## SESSION 4

### Session 4A Valve Maintenance

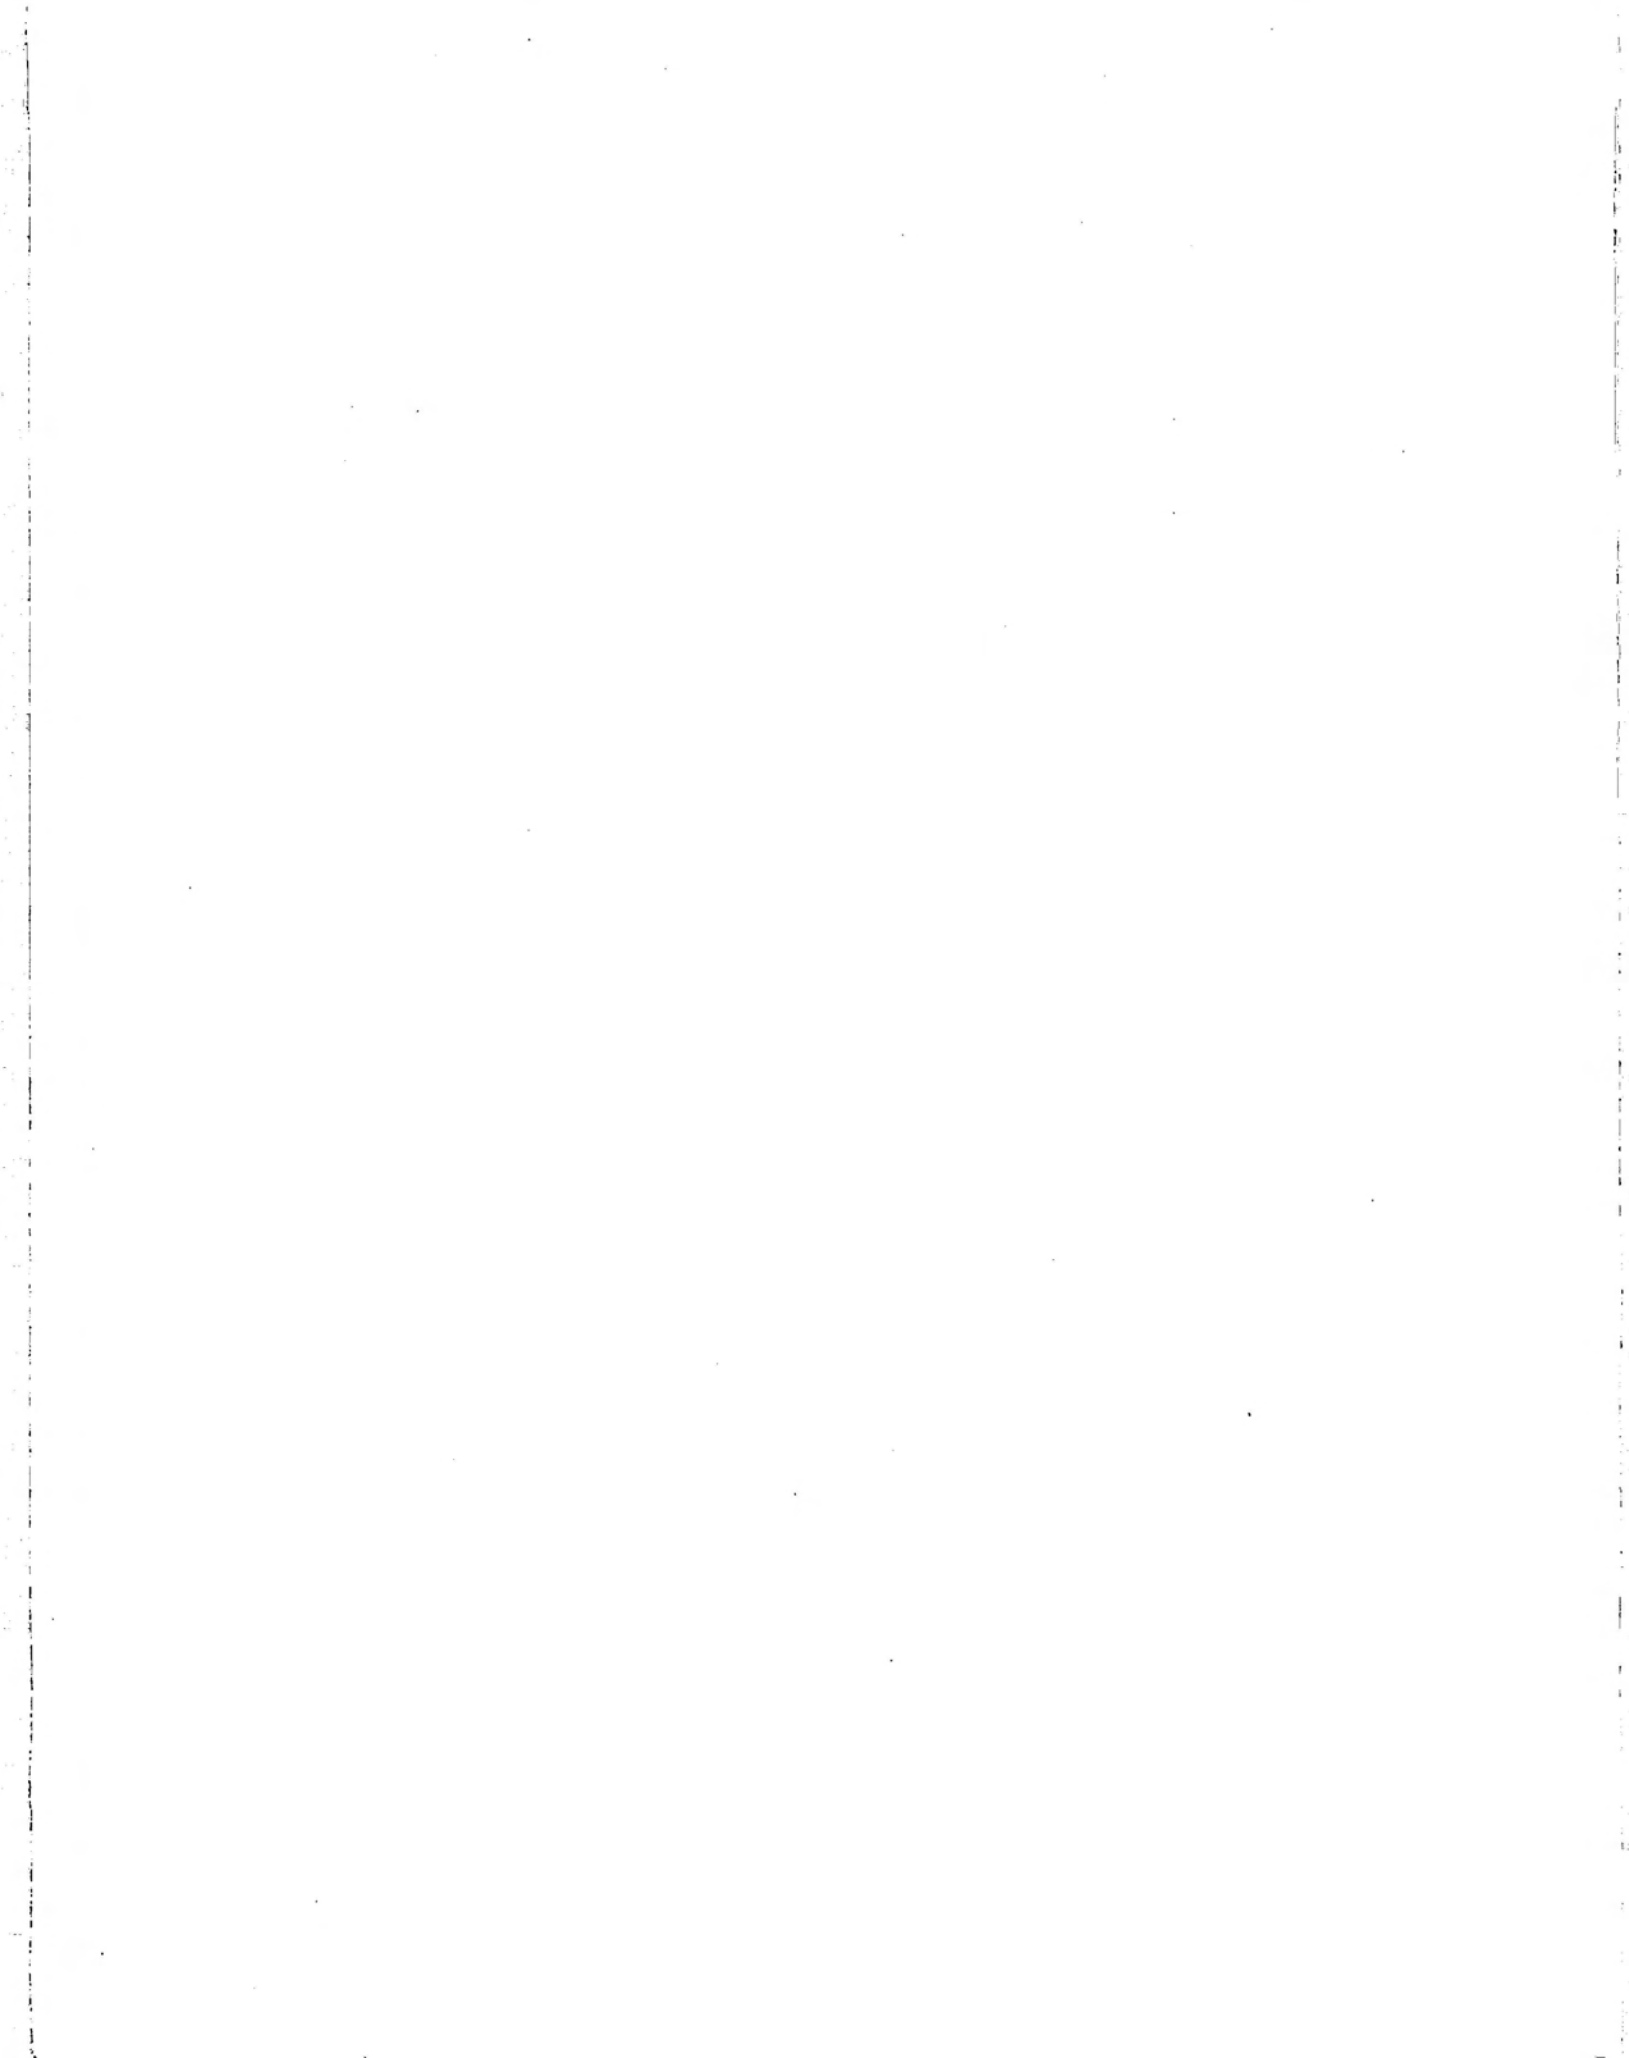

**Ensuring MOV Reliability** .....156  
J. Aikin, R. McCutcheon, I. Inglis, F. Guerout, *AECL*

**Selection of Greases for Motor-Operated Valve Stem / Stem Nut Lubrication** .....163  
F. Guerout, *AECL*  
J. Janis, *Ontario Power Generation*  
C. Jouve, J. Pitard-Bouet, *Electricite de France*

**Preventing Noise Caused by Vortex Shedding in Gate Valves and Orifices** .....175  
B. Smith, B. Luloff, J. Tromp, *AECL*

### Session 4B Maintenance Management

**Nuclear Maintenance & "Management 101"** .....183  
J. Kappes, *Ontario Power Generation, BNGS*

**The Effect of Privatization on Maintenance of a Nuclear Power Plant - Foreign Experience** . . . *Paper not available*  
D. Burke, *Ontario Power Generation, DNGS*

**COG - The New Initiatives** ..... *Paper not available*  
P. Tighe, *CANDU Owners Group*

## Session 4C

### Environmental Qualification Experience

**Identification of Organic Components and Commercial Grade Dedication  
Using Fourier Transform Near-Infrared Spectroscopy** ..... **.185**  
H. Azizian, *NIR Technologies Inc.*

**Environmental Qualification of Cabling for the Pickering 'A' Nuclear Power Plant  
Return to Service Program** ..... *Paper not available*  
J. Harber, T. Meyer, C. Gibb, *AECL*  
M. Poirier, *Ontario Power Generation, PNGS*

**An Approach to Reducing Cost of an EQ Programme** ..... **.195**  
K. Evans, H. Leung, D. Reichert, *AECL*

## Session 4D

### Plant Life Management (I)

**CANDU Plant Life Extension: Steam Generator Considerations** ..... **.202**  
R. Tapping, J. Nickerson, *AECL*  
K. Verma, *New Brunswick Power*

**Interfacial Materials for Nuclear Component Reliability and Plant Life Extension Initiatives** ..... **.210**  
G. Palumbo, P. Lin, F. Gonzalez, *Integran Technologies*

**Maximizing the Life of CANDU Pressure Tubes** ..... *Paper not available*  
H. Wong, *AECL*  
P. Ellis, *Ontario Power Generation*  
R. Baker, *New Brunswick Power*  
P. Gauthier, *Hydro-Quebec*

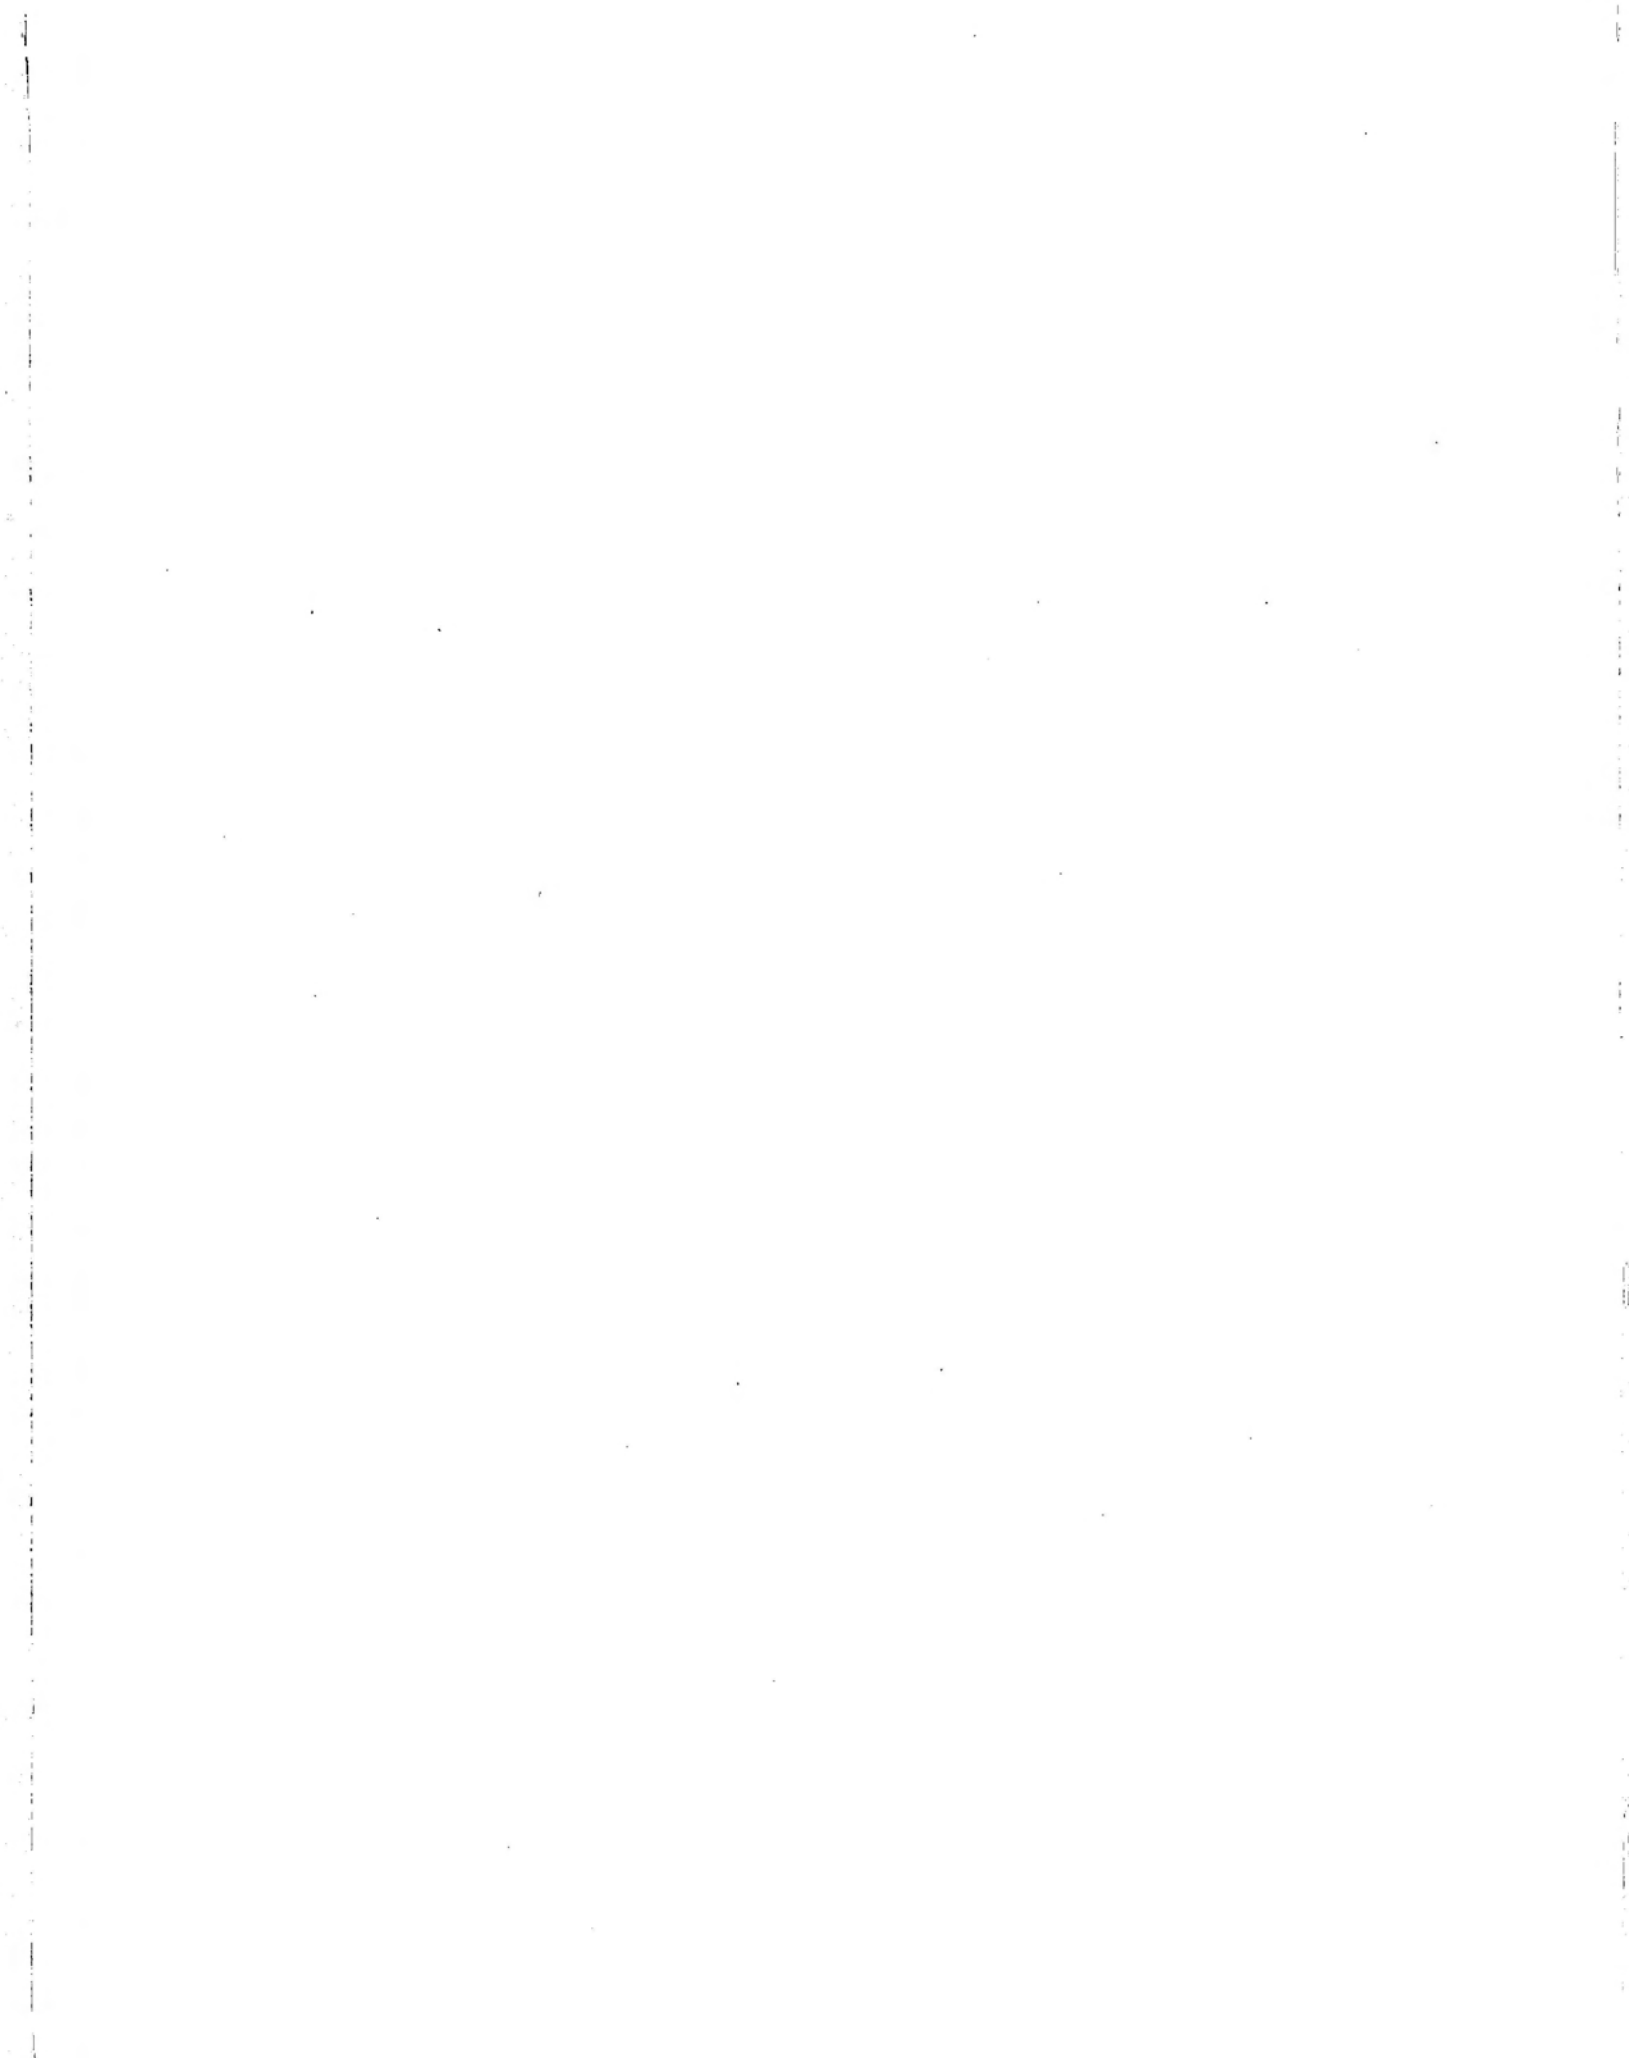

## SESSION 5

### Session 5A

### Steam Generator Inspection Techniques

**Pt. Lepreau Steam Generator Inspection** ..... *Paper not available*  
M. Addario, *Babcock & Wilcox*  
K. Verma, *New Brunswick Power*

**X-Probe: An ECT Array as an Effective High-Speed Replacement of Rotating Probes** ..... *Paper not available*  
G. Lafontaine, F. Hardy, J. Renaud, *R/D Tech Inc.*

<b>Field Trial of a Fast Single-Pass Transmit-Receive Probe During Gentilly 2</b>	
<b>Steam Generator Tube Inspection</b> .....	<b>.217</b>
L. Obrutsky, V. Cecco, R. Lakhan, S. Sullivan, <i>AECL</i>	
M. Cantin, <i>Hydro-Quebec</i>	
J. Renaud, <i>R/D Tech Inc.</i>	

## Session 5B

### Facilitating Maintenance

<b>Procedure Upgrade at Pickering</b> .....	<i>Paper not available</i>
J. Noakes, <i>Ontario Power Generation, PNGS</i>	
<b>SIEL: Heavy Water Inventory System</b> .....	<b>.227</b>
P. Corbeil, M. Provencher, <i>Hydro-Quebec</i>	
<b>CATS (Contamination Control At Source) at Pickering</b> .....	<i>Paper not available</i>
A. Khan, <i>Ontario Power Generation, PNGS</i>	

## Session 5C

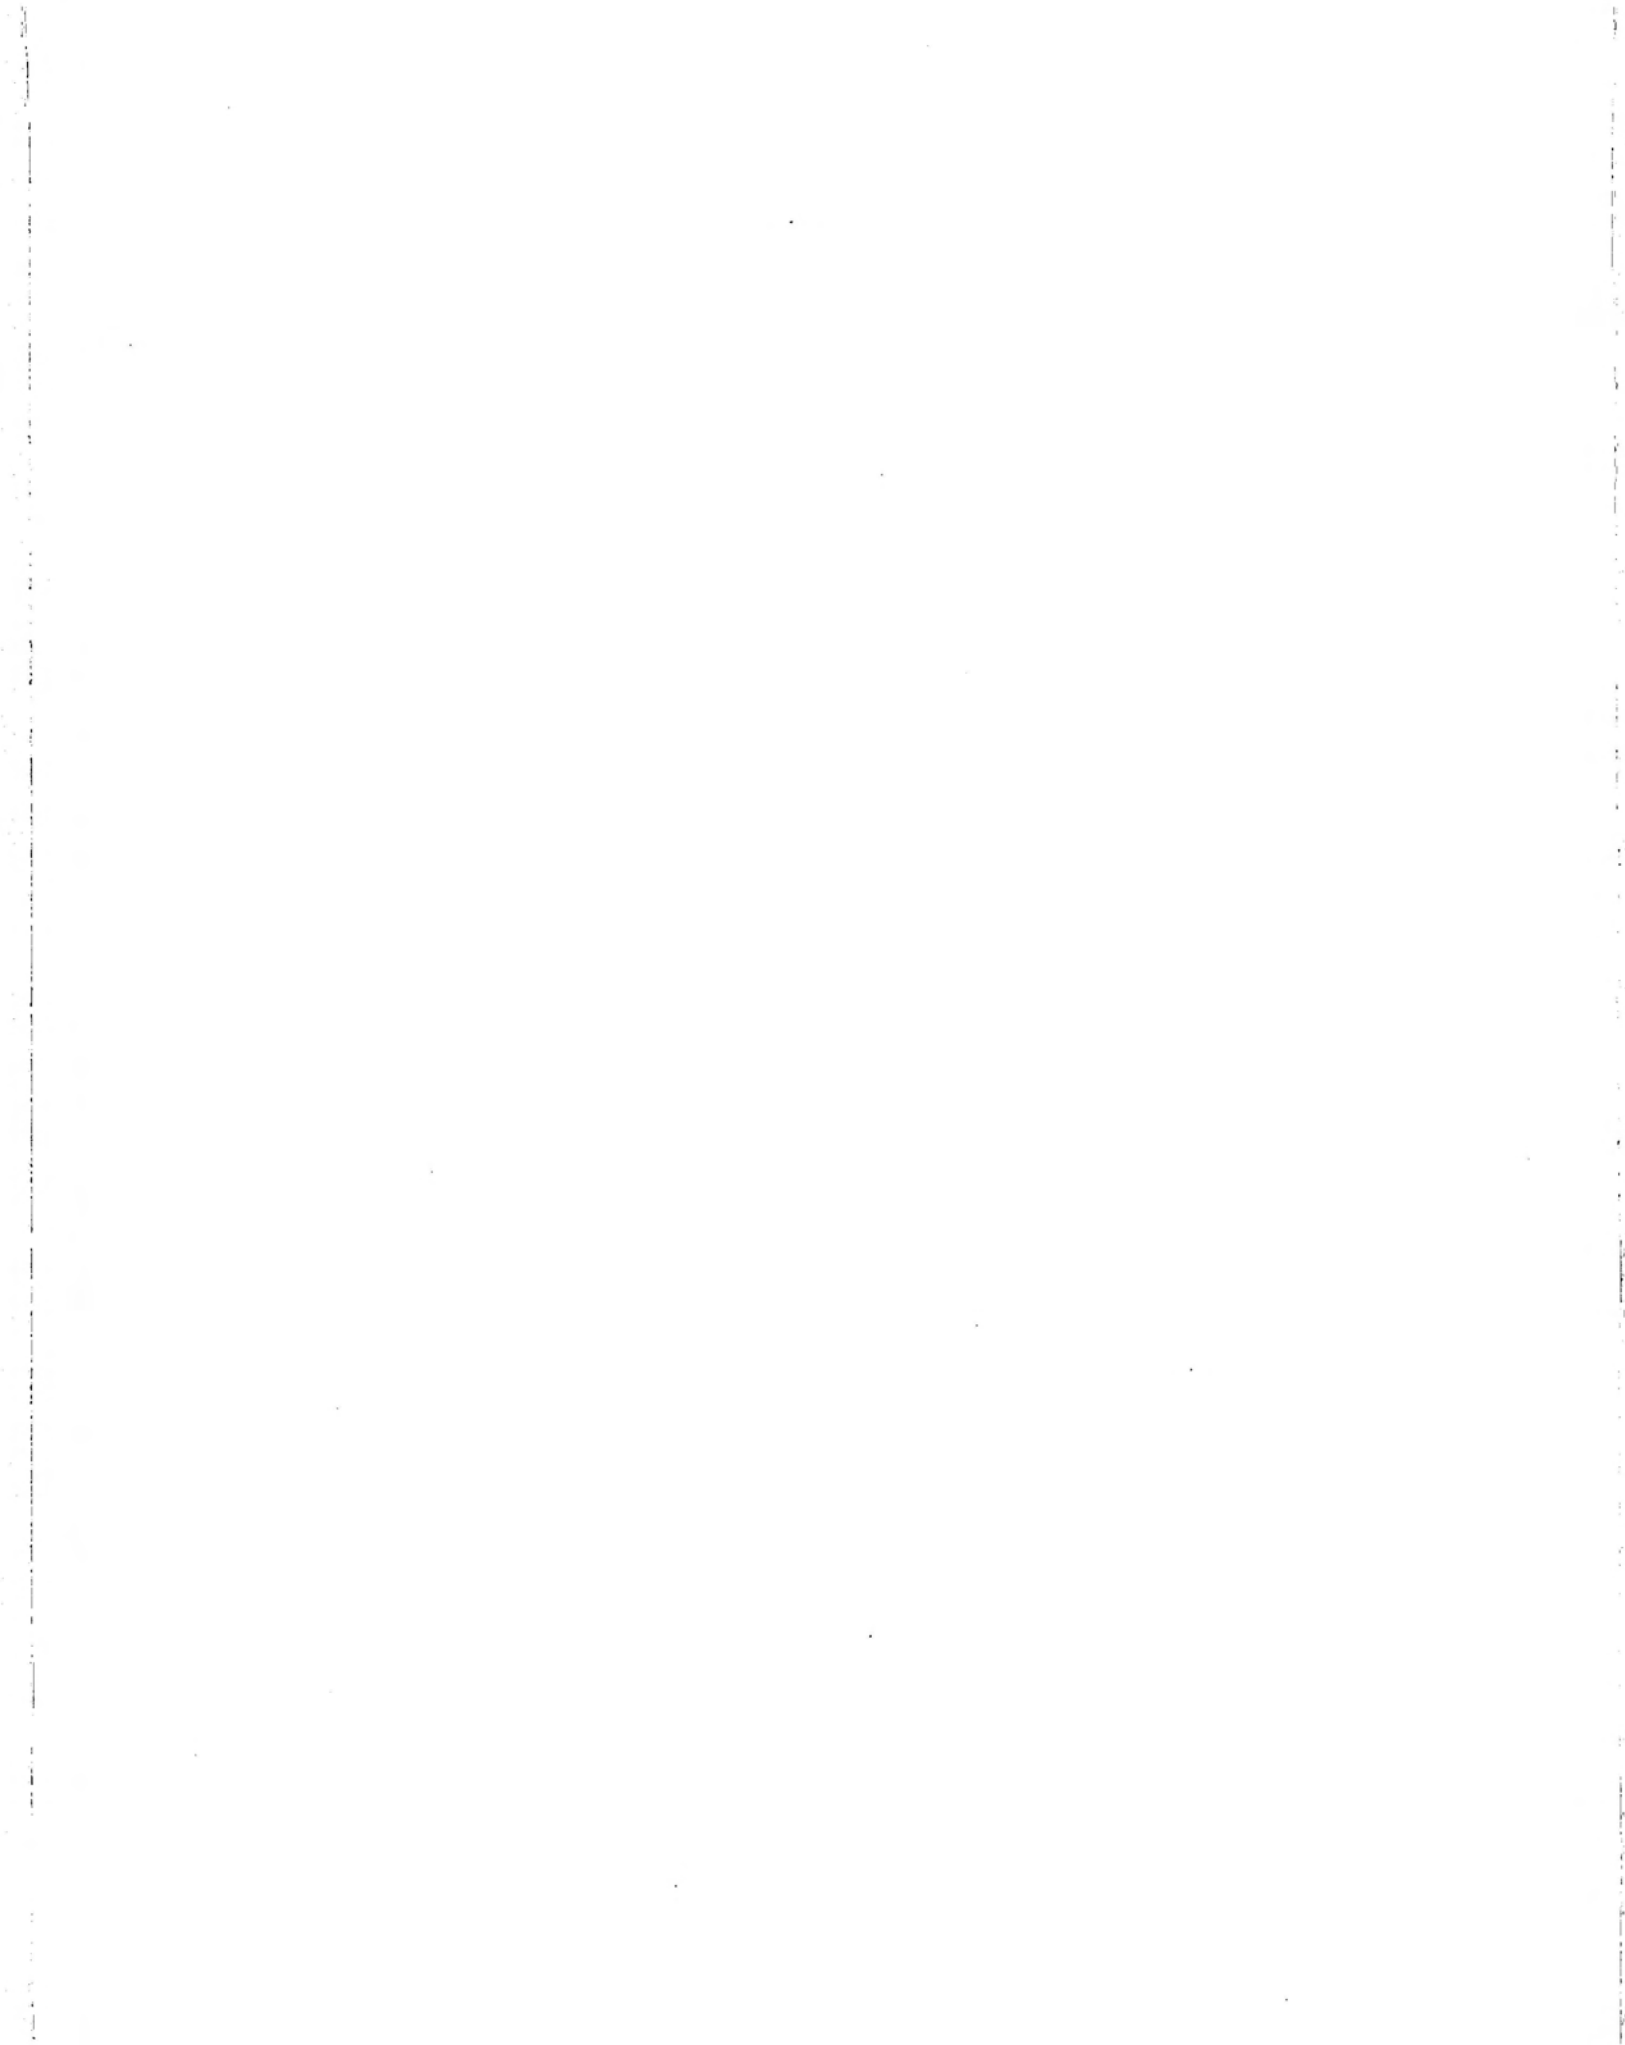

### Spare Parts Engineering

<b>Strategic Provisioning of Replacement Parts for CANDU Power Plants</b> .....	<b>.237</b>
G. Mizuno, P. Tume, J. Prentice, <i>AECL</i>	
<b>Strategies for Replacement of Obsolete Equipment - Including Reverse Engineering</b> .....	<b>.247</b>
C. Irish, <i>Nuclear Logistics Inc.</i>	
<b>Obsolescence In Nuclear Industry</b> .....	<b>.255</b>
U. Mondal, <i>CANDU Owners Group</i>	

## Session 5D

### Plant Life Management (2)

<b>Hydro-Quebec METAR Inspection Bracelet</b> .....	<b>.264</b>
E. Lavoie, G. Rousseau, J. Lessard, A. Drolet, <i>Hydro-Quebec</i>	
<b>CANDU Heat Transport Maintenance and Life Management Program</b> .....	<b>.273</b>
D. Miller, G. Harvel, M. Soulard, R. Dam, V. Cecco, <i>AECL</i>	
<b>Initiatives to Reduce Feeder Wall Thinning</b> .....	<b>.284</b>
T. Gendron, R. Speranzini, <i>AECL</i>	

## SESSION 6

### Session 6A Use of Robotics (2)

**The Use of 3D CAD Simulation for the Design and Implementation of Robotics and Remote Systems in the Nuclear Industry** ..... *Paper not available*  
N. Bains, B. Majarais, E. Woyrillowicz, *AECL*

**Applicability of a Track-Based Multiprocess Portable Robot to Some Maintenance Tasks in CANDU Nuclear Plants** ..... **.292**  
B. Hazel, J. Fihey, Y. Laroche, *Hydro-Quebec*

### Session 6B Fuel Channel Inspection and Maintenance (2) Chair: M. Leger, *AECL*

**Advanced Pressure Tube Sampling Tools** ..... **.302**  
K. Wittich, J. King, *AECL*

**Fast Retubing of CANDU Reactors** ..... *Paper not available*  
D. Scott, J. Drossis, J. King, *AECL*

### Session 6C Ageing Effects (2)

**Plant Ageing Adjustments to Maintain Reactor Power at Point Lepreau Generating Station** ..... **.309**  
W. Hartmann, M. Cormier, *AECL*  
B. Willemsen, T. Whynot, P. Thompson, *New Brunswick Power*

**Contribution of SG Degradation Mechanisms to RIHT Behaviour** ..... **.319**  
M. Yetisir, C. Turner, J. Pietralik, *AECL*
