The Canadian Nuclear Society (CNS) will be hosting **The 3rd Canadian Nuclear Waste Management, Decommissioning and Environmental Restoration (NWMD&ER) Conference Sept. 11-14, 2016**. The conference will be held at the **Ottawa Marriott Hotel** in Ottawa, Ontario, Canada.

The NWMD&ER Conferences held in 2005 and 2011 were highly successful, with over 300 Canadian and international participants from more than 40 nuclear organizations and universities. Numerous opportunities were provided for the sharing and exchange of views, information and experience amongst a broad range of subject experts and participants from government, the nuclear industry, communities, Aboriginal and Métis communities, and other key stakeholders.

Past conferences have fostered collaborative dialogue to the overall benefit of the Canadian and International nuclear industries. We hope your company will be a part of a similar dialogue in 2016.
