OPERATING UTILITY ENGAGEMENT INITIATIVE

IMPLEMENTATION STATUS

As of 2012-10-05

Bruce Power

Hans Braul identified as Utility Rep, Summer 2012. Involvement will begin post-Bruce 1 & 2 startup, Fall 2012.

OPG

Merger of Darlington and Pickering Branches into new Durham Branch in progress, as first step. Expect full engagement by the Fall 2012.

Hydro-Québec

Removed from initiative, since Gentilly-2 is officially closing.

NB Power

On hold awaiting restart of unit, post-refurbishment, Fall 2012.

AECL – NRU

Masih Balouch identified as Utility Rep, Spring 2012. Involved with CNS Annual Conference in Saskatoon, and Steam Generator to Controls Conference in Toronto.

Joint Steering Committee

Co-chaired by Jacques Plourde and Juris Grava. 2012-Q1 launching meeting held via teleconference. Next meeting scheduled for Day 2 of the Steam Generator to Controls Conference in Toronto.
