

Nuclear Operation & Maintenance (NOM) Division Report
(Co-chairs Aman Usmani & Polad Zahedi)
CNS council meeting 14 October 2016

- NOM Division focus continues to be on organizing the CMNCC 2017.
- CMC and INCC are combined to be called CANDU Maintenance and Nuclear Components Conference CMNCC-2017.
- To avoid proximity and conflict with the CNS Annual Conference to be held in June, the CMNCC-2017 has been rescheduled from May7-10.
- CMNCC-2017 will be held at Toronto Marriott Eaton Center October 1-4, 2017.
- The CMNCC-2017 conference LOGO, theme and topics and preliminary brochure have been prepared (please see attached) and have been distributed and requested to be placed on websites of CNS, COG and OCI.
- The Organizing Committee has been established.
- The Utility Reps are being encouraged to be a strong contributor within their associated Branches,
- CNS executive committee has been reminded to approach key Sponsors such as OPG, Bruce Power, NB Power, SNC Lavalin/Candu Energy, CNL, BWXT and others to ensure they allocate funds for the CMNCC-2017 in their budgets
- The OPG Utility Rep (Polad Zahedi and Jacques Plourde) are following up with OPG management to seek engagement in the CNS and to help launch the new Durham Branch.
