Canadian Nuclear Society  
[cns\\_office@cns-snc.ca](mailto:cns_office@cns-snc.ca)

To whom may it concern,

*Greetings from Korea!*

I would like to announce that the 23<sup>rd</sup> International Conference on Water Chemistry in Nuclear Reactor Systems (NPC 2025), hosted by the Korean Nuclear Society (KNS), will be held **at the Paradise Hotel Busan in Busan, Republic of Korea from September 22 to 25, 2025.**

For the successful hosting of NPC 2025, an organizing committee has already been formed, and the congress is being prepared with the goal of providing various discussion and exchange programs. The scientific program will address the current state of the field of water chemistry performance and propose a discussion of innovative strategies for establishing anatomical research and education as an area of continuing development in the 21<sup>st</sup> century.

Please refer to the detailed guidelines for abstract submission and registration via the link below and I hope many members from the Canadian Nuclear Society can join the conference

Also, I would like to ask for your kind cooperation in **posting the attached NPC 2025 web banner with the link to the NPC 2025 official website ([www.npc2025.org](http://www.npc2025.org)) on the website of your society**, in order to introduce and promote all about the NPC 2025 to your colleagues and friends, the society members. If you send the banner size of your society's website to the NPC 2025 secretariat by email at [info@npc2025.org](mailto:info@npc2025.org), we can provide you with the perfect size of ad file.

I believe that the NPC 2025 conference and the Canadian Nuclear Society can exchange academic information and cooperate with each other, and your enthusiastic support and contribution would make the NPC 2025 conference more rewarding and valuable.

I appreciate you very much in advance for your kind cooperation. I am very looking forward to welcoming you to NPC 2025 in Busan, Republic of Korea.

Sincerely yours,

**Prof. Ji Hyun KIM**

NPC 2025 General Chair

Ulsan National Institute of Science and Technology (UNIST)
